

Odessa Technologies Announces Portuguese Version of Website

March 12, 2010

Philadelphia based Odessa Technologies, Inc.; (“Odessa”) announced today the launch of the Portuguese version of its website located at: www.OdessaTechnologies.com.br. The website will cater primarily to the Brazilian leasing market.

Odessa’s entry into Brazil marks another milestone in the company’s overall strategy for Latin America. “The leasing industry in Latin America has seen consistent growth trends – and with 9 of the region’s top 10 leading leasing companies located in Brazil, this market is at the epicenter of it all,” stated Elkin Castano, VP Business Development. “Odessa is excited to enter this market and is ready with local implementation and support capability to carry out and sustain large implementations.” With this addition, Odessa now has coverage of the entire South American region.
